| 45-60 | BREAK |
| 60-100 | Presentations plus feedback (4-min presentation + 3-min feedback + 2 mins for students to reflect on feedback) |
| 100-105 | Explanation next trimester Skill Training (if applicable) |

In-class exercise

Listening Exercise 2

After each presentation, and after the tutor's feedback to the presenter, students have 2 minutes to reflect on their listening performance. The objective is that students become aware of the most common distracters for them, and try to avoid being distracted by using different techniques, such as making notes, taking an active listening attitude, etc..

Take-home exercise

No take-home exercise – end of trimester 1
